Our Services

Who comes up with our design?

You can, or at least advise the Club colours you want incorporated into any new design. We can take these colours and any ideas that you may have, and our Design Team will provide several 'on paper' designs for your initial review at no charge. Wherever possible provide a copy of your Club badge as we find that this can often be successfully incorporated within the design process as well as being a feature.

What types of clothing can Henselite Club Clothing offer?

Sublimated jackets, polo shirts, blouses, trousers, shorts, waterproof jackets, cloths, and caps. Embroidery can also be offered if this is preferred over sublimation. We can also offer our incredibly popular Henselite Sports trousers and shorts in standard colours. Black/Grey/Navy/Royal Blue/Maroon and White with embroidered Club Badge or Club name. We also supply bespoke items for Club Tours, Anniversary's and other Special occasions.

How do we know what the sizing is like?

We supply Henselite Gents/Ladies/Children's sizing charts for all items in the Club Clothing Range. Sample clothing for sizing purposes available on request.

Can we have sponsors names and logos on our clothing?

Yes, we can add all sponsors information along with your Club Badge at no extra cost.

What is the lead time from when an order is placed?

Standard lead time is 6-8 weeks, however, as you can appreciate there are exceptionally busy periods including up to the Outdoor season starting. We strongly recommend that you place orders as early as possible. If your order arrives early before the season starts then don't worry. If needed, we can hold any order in stock for a few weeks until you or the Club are ready to receive the order to an address specified by you or the club.

We are a small Club. What is the minimum order and what prices can we expect to pay?

Contact our sales team and they will advise of our current prices, along with order and reorder requirements.
